

Tastefully Libilicious

Op. 1 No. 1

January 19, 2003

Introduction

Welcome back Libs! If you dont know well now you know! This is the "Tastefully Libilicious," the new spring semester whipsheet of the libs. If you're like me you're probably wondering what "Tastefully Libilicious" means. Well, it's about keepin it real (as a liberal) but with class. It's much like J-Lo's latest hit "Jenny From The Block" in which she implores us not to be "fooled by the rocks that [she's] got" espousing that she's still Jenny from the block (South Bronx).

As libs we must take wisdom from the sage words of the unbeweavable Beyonce Knowles of the hit group Destiny's Child. When asked in an interview on MTV's pop countdown TRL to define bootylicious (the inspiration for libilicious) she stated something like "It's just about being proud of and confident in yourself: mind, body and spirit." I would like to think that all of us here in the Liberal Party are anchored in and proud of our leftist beliefs as Ms. Knowles is in her bootyliciousness.

Now it's time to get into the...

Quote of the week:

Imagine if Linda Richman of SNL's Coffee Talk in her "I'm getting verklempted" portion of the program said to "Discuss how the lyric "If you a fly girl get ur nails done, get a pedicure, get ur herre (hair) did" won the Civil War for the Union." It might transform lives. Now, twahlk amongst yahselves!

Introduction

The Super Bowl...It never ceases to amaze me how every year it comes around and every year I feel compelled to watch it. I don't particularly like football. In all honesty, I don't know what's going on, I just scream like everyone else or boo when there is a "good" or "bad" play. I guess it's kind of like those signature Burberry scarves. Everyone and their Mama seems to have one or want to have one. You don't believe me? Next time you go walking around campus take a look around and you'll be bound to see the melange of tan, maroon, cream and black caressing by-passers necks. You may even see some skank with one of those counterfeit Wal-mart knock-offs or some of those "yellow" or "peachy" looking ones bought off a friendly faux dealer in New York for \$10.00. Maybe you're lost in my logic but...here we go I'm about to tie up the loose ends. The Super bowl, for hard core fans and wannabe onlookers (like me) is like a Burberry scarf. The experience is so compelling people are willing to feign interest (purchase). Personally, I'm into Super bowl Sunday for the quesadillas.

Now For This Week's Countdown:

Moby Monday

27Jan03

Lib Dinner Common's Dining Hall 5:30 pm

Come join us under the "pensive" gaze of President Bush and hear Greg tell a new story about the YPU that will make you bust a gut.

TLC Tuesday

28Jan03

YPU Resolved "Yale Should Divest From Israel" 7:30 pm LC

This is better known as the "Charles Debate". If YPU were NBC this would be "Must See T.V". The Cons and PORS are guaranteed to debase themselves into petty squabbling like Leroy in the "What's Goin' Down" episode of "That's My Mama".

Last year, it devolved into a classic "Jerry Springer" fist-fight. In the words of Mary J. Blidge "Some ish goin' down" this year.

(Justin) Timberlake Thursday

30Jan03

Joint Lib-Con Debate. Resolved "The Melting-Pot is a myth" 7:30 pm Berkeley Common Room

By our definition of "melting-pot" the debate will be "Ameri-centric"

So come out to add a little "flavah" to the pot!

(Nelly) Furtado Friday

31Jan03

Dinner at Pepe's, meet at Phelps Gate at 5:30pm

Quote of the Week:

"Yeah. Well you know what baby, I'm almost single. My husbands on death

Introduction

Skank. Yes, **skank!** I've never pondered the word **skank** but I would like to take this opportunity to talk about "**skank**", not actual "**skanks**" but the essence of the word "**skank**". I've been told I use the word **skank** a lot but I can't say I exactly know what it means. What does **skank** mean? Why do I use it so much? Maybe I'm in denial. Maybe I am Yale's biggest **skank** and just haven't realized it. Well, here we go I found the word **skank** in The Rap Dictionary at www.rapdict.org and it says a **skank** is a "scandalous woman". I'm definitely not a skank. I wonder what the word "scandalous" implies. Is this **skank** promiscuous or just a gold-digger? Is the use of the word **skank** ethical? How does it affect other cultures? I called my friend Danielle (who is from Wales) a "**skank**" jokingly and I got slapped, ouch! Do **skanks** deserve reparations for years of verbal abuse and tacky outfits? What do you think? *Email me your thoughts and I may post your comment on the next whipsheet.*

Now For The Countdown:

Lib Debate JE Common Room 7:30 PM

Resolved: "Yale Liberalism Isn't Good Enough!"

So you think you are a liberal because "being gay doesn't bother you" and because you "sympathize with the subservient domestic role of women." Tell that to your lesbian maid because I don't buy it! You think you're a liberal but in the words of a fellow Lib "You need to get a clue and sit down!"

Fatboy Slim Friday

07FEB03

Lib Party! Timothy Dwight College G31 10:00 PM-? **Lib Party!**

Quote of the week:
